Developmental Psychology By Elizabeth Hurlock
Developmental Psychology By Elizabeth Hurlock
What Is Positive Education? Positive education is the combination of traditional education principles with the study of happiness and well-being, using Martin Seligman's PERMA model and the Values in Action (VIA) classification. Seligman, one of the founders of positive psychology, has incorporated positive psychology into education models as a way to decrease depression in younger people ...

What is Positive Education, and How Can We Apply It? (+PDF)
You aren't what you think! For teens with negative thinking habits, a licensed psychologist and a health journalist offer cognitive restructuring—a simple and effective cognitive behavioral approach to help you break free from the nine most common negative thinking habits that typically result in feeling sad, worried, angry, and stressed.
