Ontario Commercial Motor Vehicle Operators
Commercial vehicle operators in Ontario must have a valid Commercial Vehicle Operator's Registration (CVOR) certificate and carry a copy. The CVOR system monitors commercial carrier safety to improve road safety for all road users.

Commercial vehicle operator's registration (CVOR)
The Ministry of Transportation of Ontario is responsible for the province's highways, and is committed to making them safe, efficient and of high quality.

Commercial Vehicle Operators' Safety Manual
The Canadian province of Ontario first required its residents to register their motor vehicles in 1903. Registrants provided their own licence plates for display until 1911, when the province began to issue plates. Plates are currently issued by the Ministry of Transportation of Ontario (MTO). The location of plates and renewal stickers is specified by the Highway Traffic Act and Regulation ...

With regards to CVOR traffic tickets, owners and operators of commercial vehicles and their drivers are required to ensure that; The vehicle(s) being driven on Ontario highways are in a safe mechanical condition,

Question 1: Does §396.11 require the DVIR to be turned in each day by a driver dispatched on a trip of more than one day's duration?. Guidance: A driver must prepare a DVIR at the completion of each day’s work and shall submit those reports to the motor carrier upon his/her return to the home terminal. This does not relieve the motor carrier from the responsibility of effecting repairs and ...
