A computer mouse is a hand-held pointing device that detects two-dimensional motion relative to a surface. This motion is typically translated into the motion of a pointer on a display, which allows a smooth control of the graphical user interface. The first public demonstration of a mouse controlling a computer system was in 1968.

As much as we love to dwell on the classic games for our older systems, there are also some fresh games making their way onto the modern gaming scene that appeal to our retro sensibilities. The Racketboy community submitted their nominations for the best games that have a classic style that were released in 2018.

Fans of the Traveller role playing game have to do a bit of work. Starships in Traveller are rated in terms of "displacement tons" or "dtons". This is a measure of volume, not mass. 1 dton is 14 cubic meters, which is approximately the volume taken up by one metric ton of liquid hydrogen (actually closer to 14.12 m³). Liquid hydrogen is starship fusion fuel.

FIRE EMBLEM: ULTIMATE TUTORIAL. Welcome to my “ultimate” Fire Emblem hacking tutorial, dedicated towards hacking the GBA Fire Emblem games. Don’t say I didn’t warn you: this tutorial is massive and it has tons of details. Although this tutorial is a bit inclined towards Fire Emblem 7: Blazing Sword, the information can usually apply to the other games.

In brief, the task of a Wild Weasel aircraft is to bait enemy anti-aircraft defenses into targeting it with their radars, whereupon the radar waves are traced back to their source, allowing the Weasel or its teammates to precisely target it for destruction.. A simple analogy is playing the game of "flashlight tag" in the dark; a flashlight is usually the only reliable means of identifying ...

A type of Fetch Quest that involves going around killing enemies and collecting a certain amount of a specific item that these enemies randomly drop. They are most common in MMORPGs. The common hypothetical example involves a woodsman NPC asking the Player Character to deliver 20 sections of bear to him.. This sort of quest can draw attention to the inherent Fridge Logic of Random Drops, such as ...
