We offer a range of comprehensive guides to help you with every aspect of using Birkbeck Library.

Library guides — Birkbeck, University of London
MeSH (Medical Subject Headings) is the National Library of Medicine's controlled vocabulary thesaurus, used for indexing articles for the MEDLINE®/PubMed® database. Each article citation is associated with a set of MeSH terms that describe the content of the citation. If you can search using MeSH entry terms instead of keyword searching you can focus your search and find more relevant citations.
