The Essence Of Soul Retrieval A Shamanic Healing Practices Guide
The Essence Of Soul Retrieval

Working with Soul Loss. Soul loss is a helpful response in that it allows our essence to remove itself from suffering and pain. In her book, Soul Retrieval, Sandra Ingerman describes soul loss as “spiritual illness that causes emotional and physical disease...(and) losing crucial parts of ourselves that provide us with life and vitality.” A soul retrieval is a shamanic method for bringing ...

Soul Retrieval - Understanding Soul, Soul Loss and Healing ...

Once we have retrieved the soul part, we reintegrate it together with the client. This is usually done energetically (by blowing the energy into the body), through ceremony, or through cognitive tools (such as inner child work or Gestalt therapy). Soul Retrieval is only successful if the person who is healed consciously decides to use this newfound energy to cultivate healthy choices that ...

A summary of transformation. To begin this transformation journey from human to soul-spirit to spirit--as we have said before, regardless of what the individual has done on earth, as soon as they leave their human life, all individuals are met by angels and spirit guides, pass through a tunnel, and they are greeted by loved ones on the other side so that the death experience initially is never...
