Understanding Society An Introductory Reader
Understanding Society An Introductory Reader
It's often easier to write the introductory paragraph after you've written the first draft of the main part of the paper (or at least sketched out a detailed outline, section by section or paragraph by paragraph).

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer
due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
